## **TRAINEE AND NEW ADVOCATES (TANA) WORKSHOP**

This workshop is only available to members of the Society of Advocates' TANA group. If you wish to attend this workshop and/or join the Society, please contact Maria Robertson. It would be appreciated if anyone who is unable to attend a booked workshop would give as much warning as possible. This will ensure that she can offer the place to someone else.

The workshop will be run by Bridget McCann - [www.bridgetmccanntrainer.com](http://www.bridgetmccanntrainer.com)

Sandwiches and light refreshments will be available from 12.45 pm.

<b>Date</b>	<b>Topic</b>
Wednesday 26.10.11  1 – 2 pm	<p><b>An introduction to looking and sounding professional.</b></p> <p>Bridget has much experience working and training with newly qualified and trainee lawyers. She understands the many challenges they face in their new legal careers. Much of her training is in passing on tips to help them look and sound more confident.</p> <p>In this one hour Seminar she will pass on tips to help participants cope with anxiety. She will show you that by standing correctly you can feel and look more professional. She will also introduce you to understanding how important clear speech is if you want to keep the attention of your listeners and be taken seriously.</p> <p>As this is just a one-hour session Bridget will only be able to introduce you to some techniques that you may want to work further on in your own time. Where possible in the session she will make the session practical so there will be elements of a workshop with audience participation.</p>
