

THE SOCIETY OF ADVOCATES IN ABERDEEN

"Hiccup"

We invite you to attend a most delightful evening, tasting gin! A seriously arduous task, I think you'd agree? The sipping of the "Mother's Ruin". We truly believe we have the membership to do this job and, of course, any invited guests.

10 Dollar Shake are our hosts for evening kicking off with a sampling of their brand new gin Jindea Single Estate Tea Gin, created with first-flush single estate Darjeeling tea.

After enjoying your Jindea G&T, your host ambassador will guide you through the history of gin, with a tasting of Hayman's Family Distillers range, from cask-aged and Old Tom to London Dry and their new gin liqueur. It's a tough gig!

The gin tasting costs £20 for both members and guests. Please contact **Maria Robertson** to confirm attendance and numbers on **01224 640079** or email: maria@socofadvocates.com
